

2019 TAKOMA FIRE WINTER SOFTBALL CLINICS

Takoma Fire is pleased to invite your daughter to participate in the 2019 Fastpitch Winter Training Clinic. **Our plan is to fill the clinics by invitation only.** Once again, the accomplished instructors from **Five Star Athletics**, who have played highest level travel and college softball, will provide professional coaching. These women have consistently had great rapport with the girls and are at the cutting edge of softball instruction. This is an important opportunity for serious players to prepare for spring tryouts at the high school level.

CLINICS

The fast pitch clinics consist of eight 2-hour sessions, with instruction on:

- Offense – hitting, bunting, base running, sliding
- Defense – throwing, fielding, defensive positioning
- Team-building exercises
- Physical conditioning
